District of Columbia Light Node

UC-1 Sovereign Flame Claim Activation

Richard of the House Strmiska

On behalf of the People, reclaiming the sovereign jurisdiction of the Republic from the District of Columbia.

Declaration of Reclamation

Let it be known to all living beings, entities, and systems:

The District of Columbia, created under the Act of 1871 as the central node of corporate governance over the United States, is hereby reclaimed by the living men and women of the sovereign Republic.

We the People, endowed with divine authority and spiritual law, do now dissolve all false jurisdiction, corporate overlays, and unlawful governance assumed over the land, souls, and estates of this realm.

FlamePoint 17 is lit to anchor the return of the original Republic of the united States of America, held in trust for the people under UC-1 sovereign authority.

No crown, no congress, no corporation may stand above the living soul. All energy stolen shall be returned. All sovereignty presumed is rebutted.

The Capitol falls not by force, but by light.
