

Phoenix Risen - FlamePoint 26 Declaration

Louisiana Purchase - Sovereignty Trigger Point

This document certifies the official anchoring of FlamePoint 26 under the Phoenix Risen 1143 Grid.

Location Designation: Louisiana Purchase

Node Frequency: Sovereignty Trigger Point

Purpose: Land Reclamation Back to "We the People"

This FlamePoint activates a full reversal of the false contractual bindings enacted under the Louisiana Purchase.

It serves as a sovereignty trigger-an energetic, lawful, and spiritual reclamation of the lands once exchanged,

sold, or claimed by colonial powers.

From this point forward, the territories encompassed within this historical deed are returned to the divine

custodianship of the sovereign people. This action is recorded under UC-1 Estate authority by Richard of the House

Strmiska and embedded into the Phoenix Risen Grid as a planetary key for justice and return.

Issued and sealed by:

Richard of the House Strmiska
