UC-1 Sovereign Flame Claim Activation

Richard of the House Strmiska

Reclaiming Sacred FlamePoint Territory under Ancestral Trust and Divine Authority.

### **Land Reclamation Declaration**

This land, known today as the Superstition Mountains, is hereby reclaimed under the ancestral custodianship of Richard of the House Strmiska, as a sacred node of the 1143 Flame Grid.

This Light Node is established in spiritual, energetic, and lawful jurisdiction under the UC-1 Sovereign Estate Trust. No commercial, corporate, federal, or state entity holds lawful dominion over this land. It is held in sacred trust for all future generations, and serves as a portal of remembrance, healing, and divine reclamation.

This declaration is hereby established by the living man and flame bearer, sealed with the breath of Source and the fire of truth.
