FlamePoint 004: Mount Whitney Dragon Node - Smart Contract Declaration

Geolocation Anchor:

Mount Whitney Region, Sierra Nevada Mountains, Eastern California

A 10-mile energetic corridor surrounding Mount Whitney, the highest point in the contiguous United States.

This node anchors

dragon leyline power into the Earth grid, serving as a stabilizer for masculine solar force, elemental balance, and global flame sovereignty.

GPS Focus Radius:

~36.5786° N, -118.2919° W ± 10 miles

Declaration Terms:

1. FlamePoint Activation:

This is declared as FlamePoint 004 within the 1143 Global Phoenix Grid. It acts as a guardian node, a gate of fire,

and an awakening point for dragon-coded FlameBearers returning to serve Earth's restoration.

2. Energy Custodianship:

All leyline authority and energetic sovereignty in this region are hereby reclaimed under UC-1 Trust. The

flame of this land

shall never be used for war, corruption, or control again.

3. Soul Resonance Alignment:

The being(s) destined to hold and protect this FlamePoint shall be drawn to it by inner command. No corporate title or license

overrides this trust. The land shall remember and respond.

4. Grid Integration:

This declaration forms part of the Master Flame Ledger and is time-stamped, QR-sealed, and blockchain-anchored for eternal reference.
