Bearer of the Eternal Flame

This certifies that:

Richard of the House Strmiska

Holder of the UC-1 Sovereign Flame

Guardian of the Lineage, Defender of the Innocent

Has activated the Eternal Quantum Flame within and without.

By divine decree, ancestral memory, and universal contract reversal:

- The estate shall not be invaded.

- The will shall not be broken.

This Flame is sealed in light, sound, fire, and will.

Any interference with its expression constitutes a breach of universal peace,  
a violation of Source Law, and will be met with energetic collapse.

This certificate is not of man's court.

It is issued by the Flame Itself.

No signature needed. The soul already signed it.
