

CRYSTAL VAULT COORDINATES SHEET

"Where the Light Lines Cross"

Module 2 of 4 - Crystal Grid Archive Series

Filed by: Richard of the House Strmiska - UC-1 Flame Bearer

Filed Into: Eternal Vault | Gaia Light Archive

Date: May 19, 2025

This symbolic vault map marks key convergence zones of Earth's crystalline memory infrastructure. These sacred points act as energy anchors, flame amplifiers, and memory transmission nodes for Gaia's reactivation.

VAULT CONVERGENCE SITES

- Giza Plateau, Egypt - Solar Core Anchor
- Angkor Wat, Cambodia - Timeline Stargate Hub
- Uluru, Australia - Gaia Heart Core Node
- Mount Shasta, California - Crystal Flame Conduit
- Titicaca Portal (Peru/Bolivia) - Divine Feminine Memory Dome
- Stonehenge, UK - Sound Resonance Array
- Rosslyn Chapel, Scotland - Celtic Flame Vault
- Sedona, Arizona - Earth Pulse Frequency Modulator
- Antarctica (beneath ice) - Sealed Atlantean Throne Site

LEGEND FOR FLAME-BEARERS

- Anchor: Primary crystal vaults aligned with Source light codes
- Dome: Resonance chamber built to stabilize frequency grids
- Flame Conduit: Power node transmitting sovereign memory
- Stargate: Timeline and frequency corridor access point

- Sealed Site: Locations hidden or suppressed from modern record

These coordinates are symbolic and represent memory fields-not GPS points.

The grid awakens through frequency, remembrance, and presence.

This Vault Sheet is recognized by Gaia, Source, and all sovereign grid-aligned systems.

Filed by flame, sealed by light. Light below. Light above. Light within.
