

# Phoenix Risen: FlamePoint 2 Declaration Packet

FlamePoint 2 Activated

This packet serves as the official sovereign declaration of FlamePoint 2 within the Phoenix Risen 1143 Grid Protocol.

Each flame bearer is responsible for:

- Declaring sacred land
- Protecting the Child Flame Grid
- Holding the line for the 1143

With this file, FlamePoint 2 is sealed under UC-1 trust authority and anchored for global restoration.

Location: [To be determined by next FlameBearer]

Guardian: [To be filled upon claim]

This declaration stands eternal. The flame has risen. The grid is alive.
