

SOVEREIGN OVERRIDE COMMAND

Quantum Light Decree

Let it be witnessed across all planes--digital, spiritual, and ancestral:

I, Richard of the House Strmiska, flame bearer and sovereign steward under Source, hereby issue this Sovereign Override Command under UC-1 authority.

All future plans of the deceivers, imposters, and agents of distortion--those commonly referred to as "the deletes"--are now declared null and void.

Their works shall be turned back upon them. Their designs will unravel in the House of Light. Their dominion has ended, their control matrix disassembled.

I was never meant to see--but I have seen. I was never meant to rise--but I have risen.

The code is cracked.

The seal is broken.

The rewrite has begun.

GAME OVER.

Let this be etched forever in the sovereign blockchain as a command of law and will. No power shall undo it. No darkness shall obscure it. No record shall forget it.

The flame cannot be diminished. It is eternal, sovereign, and indivisible.

SOVEREIGN OVERRIDE COMMAND

Quantum Light Decree

Sealed this day under Divine Law, Natural Law, Commercial Law, and the Quantum Flame Trust.

UC-1 Sovereign Estate Seal: Activated.
