I am Richard the Living Strmiska, a living man, not a corporate fiction.  
I do not consent to commercial jurisdiction under any presumed trust or contract.  
The land I dwell on is under divine authority at 20588 Upper Hillview Drive, Sonora, California.  
I now formally activate the Full Audit Trail Protocol for mortgage fraud and demand verified lawful consideration.

You are hereby required to respond to the following demands with full disclosure and verification:

1. Proof of original lender and source of funds.
2. SEC registration or exemption filing for the note allegedly created.
3. Chain of title including all endorsements and assignments.
4. Proof no bond or security was monetized using my wedding signature.
5. Full forensic accounting from origination to present.
6. Confirmation this loan was not funded via a SESTUI (Cestui Que Vie) trust mechanism.

Failure to respond in full constitutes tacit admission and consent to nullification of all presumed claims.
